## A Word from Mrs. Jessica:

Happy New Year TWDT Family! Welcome back to dance! This year marks our 40th year in business! Our recital theme is Cheers to 40 Years! We will be dancing to all the top hits of the last 40 years. This month the faculty focuses on starting the student's recital dances. It is very important for dancers to be present in their classes each week in order to not miss what is taught. Also, recital costumes have been ordered. If you have still not paid for your recital costume it was not ordered. Just a reminder that the viewing windows are now closed until recital.

This month our TWDT Performance Company is prepping for their first competition in February. The students are very excited and anxious to get onstage and represent TWDT with their hard work! I ask that when you see one of the company members to wish them good luck! I know they will appreciate the boost of motivation from all of us here at the studio.

Proud to be TWDT!

## January TWDT Spirit Week:

Spirit Week for this month will be held on January 21st-26th. For spirit week we ask that students come dressed in an old dance costume! It's a new year but we want to see an old you! Don't forget your hair and makeup! Most memorable costume will receive a prize!

## Recital Costumes

You may view your child's recital costumes located in our TWDT Costume book at the front desk. After viewing we ask that you please return it to the front desk so that other parents may view it as well.

We expect to receive costumes between January through April. After your child's costume arrives we will have the students try them on. We will also send an email to the class informing that it has arrived and that you may pick it up at the front desk.

You must sign each costume out but you must have a zero balance in order to do so. If you want to return a costume for a different size you will be responsible for the exchange fees and shipping charges.

## 2019 Recital Date

Please mark your calendars that our 2019 Recital Date will be held on Sunday, June 2nd, 2019 at Times Union Center for the Performing Arts. We will hold our dress rehearsal the same day so you will need to have an adult there with your child. We will send home more information as the time gets closer.

The Dance will be held at the dance studio for daughters age 3-11 with music and dancing, arts and crafts, dessert and ice cream bar as well as a photo booth to capture the memories. Each teacher picks one student out of all their classes who was in class each week, had a positive attitude and overall gave all they got each week!! Mrs. Jessica and the teachers will have a special present to give to these students whenever they are recognized .
