### A Word from Mrs. Jessica:

Happy February everyone! The New Year brought many exciting opportunities for the students of TWDT! The students are currently working on their recital dances in class and we are working on closing most of the January classes that have been a huge success.

As most of you have noticed that the windows have been closed since the new year in order to prep dancers for their recital number. Please keep in mind that it is very important that dancers are present in their class each week to make sure that they don't miss any steps taught for their recital dance. Teachers must have choreography completed before Spring Break.

This years recital we will have 5 special numbers that many can take part in. Opening Number, Dad's Dance, Adult Dance, Alumni Dance and our Graduating Senior Dance. Keep an eye on when sign ups start and when the choreography will begin for these numbers.

Happy Valentines Day Everyone!

Mrs. Jessica

The Recital Fee is \$100 for your 1st student and \$80.00 for the second student.

### FEBRUARY STAR STUDENTS

At TWDT, we want to give recognition all year long to those students that need to know they did awesome each month in their dance class. Each teacher picks one student out of all their classes who was in class each week, had a positive attitude and overall gave all they got each week!! Mrs. Jessica and the teachers will have a special present to give to these students whenever they are recognized .

Mackenzie Bobchak	Haley Phillips
Taylor Benn	Eileen McCrary
Savanna Quiles	Annalise Sackreiter
Alexis Davidson	Anastasiia Egorova
Charlotte Wilhoite	Caitlyn Kruse

### SPOTLIGHT DANCERS

This month our TWDT Performance Company is competing in their first competition of the season. The students are very excited and anxious to get onstage and represent TWDT with their hard work! I ask that when you see one of the company members to wish them good luck! I know they will appreciate the boost of motivation from all of us here at the studio.

### Make-up classes

There will be no more makeup classes due to the recital dances being choreographed now. If they tried to make up in another class, they would just be sitting off to the side and it would not be beneficial to your dancer or the class trying to learn their piece. Please try to make it to dance class unless you are contagiously sick. We are a team and some students are constantly missing class and it causes the dances to look unorganized and practice incorrect timing. We appreciate dancers who are dedicated and sit in the class to watch/take notes if they are unable to dance. Otherwise, flu season is in full swing and we appreciate you not spreading your germs. There are only about 12 weeks of regular dance class left before we start rehearsals.

### Recital Costumes

You may view your child's recital costumes located in our TWDT Costume book at the front desk. We expect to receive costumes now through April. After your child's costume arrives we will have the students try them on. We will also send an email to the class informing that it has arrived and that you may pick it up at the front desk.

You must sign each costume out but you must have a zero balance to do so. If you want to return a costume for a different size you will be responsible for the exchange fees and shipping charges. We have garment bags available at the desk for \$5.
